About Us

PALERILL specializes in high-end French-style crystal lighting. We work directly with source workshops in Guzhen, Zhongshan - the historic heart of China's lighting craft - selecting premium crystal and overseeing every step from original design to precision finishing. Each chandelier is cut, polished, and assembled to refract light with brilliance, bringing French elegance and romance to distinctive spaces. From single statement pieces to full hotel and custom engineering projects, PALERILL delivers consistent quality from factory to your project site.
