WANDA REALM NANCHANG HOTEL

Beginning with human feeling, we design light as atmosphere · vivid and brilliant, lifting the mood of the scene and making it felt.

WANDA REALM NANCHANG HOTEL

An ingenious composition, romantic in spirit yet never losing its elegance. Crystal answers the light and returns a radiance of rare beauty, while clean forms drawn in staggered tiers bring a bright, airy presence into the room.

WANDA REALM HARBIN HOTEL

Light travels through the crystal like gold in flight; you reach out almost without thinking, wanting to catch these leaping spirits of light.
