How to order

1 Send us your project details

Room, ceiling height, required drop, diameter, finish and quantity.

2 We quote and confirm the configuration

Our team replies with pricing, lead time and a wiring / mounting drawing.

3 Production, inspection and shipping

Each fixture is built to order, tested, photographed and packed for export.

Custom & trade

Custom sizes, colours, multi-tier configurations and canopy options are available on request.

Designers, contractors and hospitality projects: ask us for trade pricing and CAD / specification files.

Sample material swatches can be sent before production.
